

## About Us

### Technology Solved – Why Computer Troubleshooters is the Right Choice for All of Your Technology Needs

Computer Troubleshooters is Australia's largest IT support franchise as part of the largest international network of locally owned and operated IT service franchise offices. Launched in 1999, Computer Troubleshooters has more than 400 franchise locations worldwide in over 28 countries. Over the past 15 years we have grown and evolved with the IT Services industry to provide our clients with cutting edge products and solutions tailored to fit the unique needs of small business and residential clients.

Our franchise owners are technology experts and have access to the resources of a large international company, giving them the ability to offer their clients customized technology solutions, products and competitive pricing. However, since they are locally owned and operated, they can focus on delivering the highest level of personalized local service and building a long term trusted relationships. We aim to deliver to our clients on our brand promise of "Technology -Solved".

If you are a business owner or manager looking for technology solutions that help your business be efficient and ahead of your competition, visit the Business Services area to learn more about many of the services we offer. Remember, each office is locally owned and operated and will have a list of the specific services they offer. If you need immediate assistance with an issue, click on the locator to find your local office to get help right away.

Are you looking for someone you can trust to help you with your computers and devices at home? Visit our Residential Services area to discover the wide range of products and services that we can offer to home offices and even the casual computer user. It is more important than ever to be able to have secure and reliable technology in our homes. Whether you are running a business from home, taking classes online, or just enjoy social media, you want to know that your technology will work when you need it and is going to be safe and secure for your family. Your local Computer Troubleshooters is the best choice for reliable and affordable services that are tailored to fit your specific needs.

Every Computer Troubleshooters office is locally owned and operated and dedicated to offering the highest level of customer service and industry leading products and services. Your local technicians are backed by the power of the global network of technology professionals and are committed to successfully supporting every client. Let us be your IT Solution provider & manage your all technology – Technology Solved!
