

Testimonial from Rob Capito our Roxburgh Park Franchise here in Melbourne. He started his Franchise on July 1 2018.

*“Fix N Chips franchise has exceeded my expectations. I can manage my work around my family time and my hobbies. The flexibility is great and the rewards for the hard work are fantastic. The only regret I have is that I didn't take up this opportunity earlier. I would highly recommend this franchise to anyone who has a keen interest in learning, enjoys working with their hands and have a good work ethic. You won't be disappointed.”*
